

# LIGHTHOUSE MINISTRIES

Giving hope in the midst of the darkness around us

*"I am the light of the world: he that followeth me shall not walk in darkness" John 8:12*

Dear family & friends,

Greeting at the beginning of another new year. When I was a youth, I never expected that the Lord would wait this long to come back again. Several times I saw strange things take place that made us think the Lord's coming was soon. I also had a dream in which I thought the Lord had come for us. This has been 40 years ago, and what have I done for Christ in these years of waiting. I thank God for the many lives that we have been able to touch with the love of Christ, but I desire to do even more. It just doesn't seem fair that I had such a goodly heritage, and many others are still suffering in the grips of the enemy. He does not deserve having them in his kingdom. My desire is to use this year to help rescue as many souls as I can from the grips of this enemy. It is one of the greatest joys of life to see them transformed into the image of Christ. Several weeks ago I prayed with a real longing that God would show me his power and glory. He helped me see this in the lives of our church brethren. What greater display of power and glory could we want, than to see a life of wretchedness, sin & suffering, changed into a life of radiance and holiness. A life marred by years of sinful living, cleansed and purified in both soul and body. PTL

We have had a refreshing time with family over the last several weeks. While Marc, Dorcas & Sarah were here we spent several days in Tegucigalpa, Honduras together as family, visit-interest points of together, and spending time at a house we had rented as a get-away. We were thankful for Wesley's help in doing the chores at home that made this possible. I was also glad

Elvin's sister Roxana, has been living with Elvin & Amarilis. Alicia's little Mateo is growing a lot, and Moisés recently made a commitment to serve God. Deysi's granddaughter usually comes with her to church, and at times the child's parents (Abel & Karen) also come. They want to get married in the near future. Wesley & Evelyn recently announced their engagement, with plans to marry in March. They will proba-

You can join us in prayer for the need of Teachers for the coming school term, starting in Feb. Please pray for the work here, that more souls would come to Christ, and that he would receive all the honor for the work. He is worthy of all praise.

May God bless each one for your prayers & support in the work here.

For His sake, David Yoder
